Letter No.1266/48-4-C1, dated 3-3-49.

Sir,

Sub: Establishment - Temporary - Highways Department - Construction of a bridge over Gurpur river in M.4/7-8 of Manjeswar Mainpur road near Kulur (S.Kanara dt). Special staff - Sanction requested.

Ref: G.O.No.516-P.W., dated 15-2-49.

Government have accorded sanction to the construction of the above bridge work which is estimated to cost Rs.5.40 lakhs in the G.O. referred to above. This is a major bridge work and the following are the details showing the length etc., of the bridge.

1. One Central span of 150 feet.
2. Two ends spans of 120 feet each.
3. Piers (2x15) 30 feet.

Total length of the bridge between abutments. 420 feet.

2 A bridge work of these dimensions requires constant attention and supervision of a major nature. As the regular staff of the Mangalore Division will not be in a position to attend to this important work without detriment to their normal duties, I propose the following special staff for a period of one year from the date of appointment in the first instance for the execution of the above bbidge work.

1. One Assistant Engineer.	per month	Rs.290/-)	
2. One Supervisor.	"	150/-)	
3. One Upper Division Clerk.	"	80/-)	Per year Rs.7200/-.
4. One Lower Division Clerk.	"	50/-)	
5. Two peons.	"	30/-)	

3 This special staff may be required for a period of about two years for the execution of this bridge work and the total cost of the staff will be Rs.14,400/- or Rs.15,000/-. Necessary provision to meet the cost of major supervision is being made in the detailed estimate.

4 In the light of these facts, I request that the special staff applied for may be got sanctioned and orders communicated at a very early date.

Sub: Highways Deptt. - Estt. - Construction of a bridge over Gurpur river, S. Kanara Dt. - Employment of special staff.

Ref: From the C.E.(H). No. 1266/ks2-4-C1, dated 3.3.49

Apart from the four regular subdivisions in South Kanara Dt the Govt. have sanctioned a special Asst. Engr. with necessary subordinate staff for re-constructing the Pootchamagor bridge at mile 57/5 of Mudabidri Buntwal road at an estimated cost of Rs. 2.64 lakhs. vide item 3 of annexure I to G.O. No. PWD 1905 A.N., dated 28.5.48. As the work relating to the construction of a bridge over Gurpur river may not be heavy in the early stages, it is suggested that the special Asst. Engr.

4 3

Asst. Engr. referred to above can also attend to the Bridge work over the Sharpan river and look it will be sufficient if one temporary employment of two supvrs. is sanctioned for the work for the present. The C.E.(H) is requested to offer his remarks on the suggestions.

Note. Pl. see the letter from the C.E.(H) dtp. 1 of the draft memo at Pp. 1-2 above, which is self-explanatory & for approval. If the work really demands one A.E. and one Supervisor instead of two Supervisors, the C.E. will no doubt reply so 14/3/49 Action for sanctioning the staff may therefore be taken after receipt of the reply to the above memo.

Letter No.1266/48-7-C1, dated 4-4-49.

Sir,

Sub: Highways Department - Establishment - Temporary Construction of a bridge across Gurpur river - South Kanara District - Employment of special staff.

pp. 3-4 ante

Ref: Government Memo.No.710-M/49-1-P.W., dated 15-3-49.

The above work is a major bridge work with one span of 150 ft., two spans of 120 ft., and one of 30 ft.R.C.Bowstring girders are proposed for the longer spans. The cost of the work is Rs.5.40 lakhs.

2. A bridge work of this magnitude requires the employment of an Assistant Engineer even from its early stages of settling the preliminaries, as technical matters are to be dealt with very judiciously at every stage. In such cases the settlement of preliminaries will also involve a good deal of time and labour and this has to be attended to by concentrated attention. It is not therefore possible for the regular Division of the District or for the special subdivision for Pootchamogar bridge to attend to this additional work without prejudice to their legitimate work. The employment of an Assistant Engineer is therefore absolutely necessary for a bridge work of this magnitude.

3. In these circumstances, I request Government to accord early sanction for the employment of the special staff applied for

A.D.S./ D.S.

The C.E.(H) has submitted proposals for the employment of the following staff for a period of one year from the date of appointment for constructing a brdige over Gurpur river in M.4/7-8 of Manjeswar Baindur road near Kulur, in South Kanara district:-

1. One Asst. Engr.
2. One Supervisor.
3. One U.D.Clerk.
4. One L.D.Clerk.
5. Two Peons.

2. The work has been sanctioned and it is estimated to cost Rs.5.40 lakhs. The total length of the brdige between abutments is 420 feet, with one central span of 150', two end spans of 120' each and piers 30'. The C.E. has stated that a bridge work of these dimensions requires constant attention and supervision of a major nature and that the regular staff of the S.Kanara division will not be in a position to attend to this important work without detriment to their normal duties. As the work relating to the construction of the brdige may not be heavy in the early stages, it was suggested to the C.E.(H)/~~xxxxxx~~ that the special Asst.Engr. for Pootchamagor bridge can also attend to this work and that it ~~will~~ would be sufficient if the employment of two suprs. was sanctioned for this work. The C.E. has replied that a ~~xxxxx~~ bridge work of the magnitude referred to at 'A' above requires the employment of an Asst.Engr. even from its early stages of settling the preliminaries, as technical matters are to be dealt with very judiciously at every stage. He has stated that in ~~such~~ these cases the settlement of preliminaries will also involve a good deal of time and labour and that it has to be attended to by concentrated attention. He has therefore stated that it will not be possible for the regular division of the district or for the special subdivi-

subdivision for Pootchamaor bridge to attend to this additional work without prejudice to their legitimate work. He considers the employment of an Asst.Engr. to be absolutely necessary. In view of the above and of the fact that a spl. subdivision was sanctioned for a similar bridge work in the district costing only Rs.2.64 lakhs, this deptt. may, it seems, agree to the employment of the special staff asked for by the C.E. for this bridge work costing Rs.5.4 lakhs. Besides the expenditure on establishment for the execution of the work is below 10% being only 2.7%. The staff may be sanctioned for a period of one year in the first instance.

3. The estimate for the construction of the bridge does not include provision for the cost of the special staff now proposed to be sanctioned. It is stated that necessary provision ~~xxxxxxxxxx~~ is being made in the detailed estimate to meet the cost of the staff. Orders sanctioning the employment of the special staff may be issued after the proposal is approved by the S.F.C. and the Cabinet.

Finance may see for remarks.

2. The proposal of the PW. D to sanction the employment of the staff specified at A on p.1 C.F. may be agreed to subject to the following remarks:-

Peons. The C.E has proposed the employment of two peons. For a somewhat similar staff engaged on similar work, only one peon was sanctioned. - please see portion marked B on p.3 of G.O 1905 PW dated 28.5.48 at (H) Finance may therefore suggest that one peon may be allowed as against two proposed.

11/5/49

3. If the above suggestion is agreed to, the extra cost works out to Rs 11 200 per annum. The C.E reports that the estimate sanctioned for the work includes provision for the staff also the estimate for the work has been treated as an item of new service - please see para 6 on pp 11 and 20 C. A anp.1 cf.

In G.O.No.516 P.W., dated 15-2-49, the Govt. approved the estimate for Rs.5.40 lakhs for the construction of the above bridge. The total length of the bridge between abutments is 420 feet, one central span of 150 ft, two end spans of 120 ft each and piers 30 ft. B anp.1 cf.

The C.E. has stated that a bridge work of these dimensions requires constant attention and supervision of a major nature and that the regular staff of the S.Kanara Division will not be in a position to attend to this important work without detriment to their normal duties. In view of the fact that a special sub-division was sanctioned for a similar bridge work in the District costing only Rs.2.64 lakhs, this Dept. agreed to the employment of the special staff asked for by the C.E. vide 'A' above. Finance have agreed to the proposal subject to the reduction of one peon out of the two peons asked for by the C.E.
